***PROUD TO BE A BULLDOG!***

## MESSAGE FROM SUPERINTENDENT

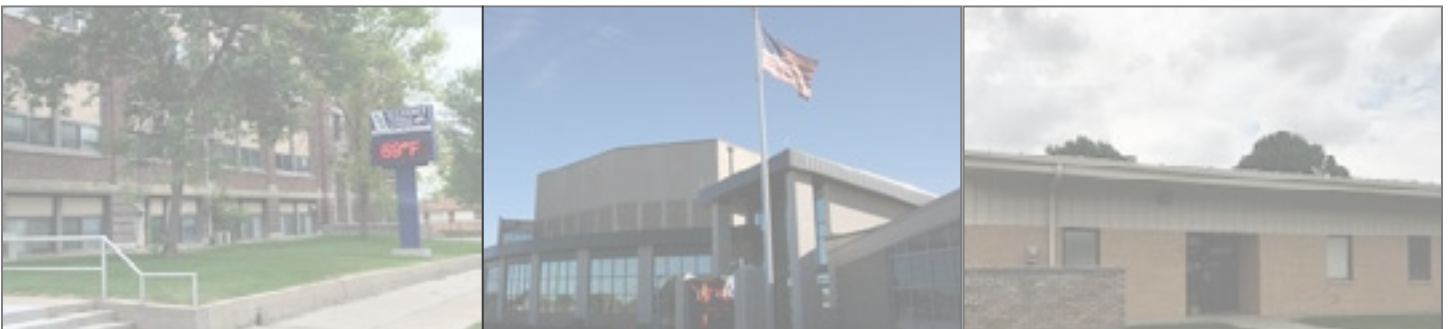

Last spring was unlike any we have encountered in our lifetimes. Schools were closed, extracurricular activities were lost, and monumental milestones were not celebrated like we normally do. We opened the school year in August surrounded by many uncertainties. We have all contributed and all compromised to get to where we are today. We have been able to stay in school and provide educational opportunities to our students. We have been able to compete and complete the fall and winter activities seasons. On the 1st of March, we opened the spring seasons which were lost last year. We all continue to do our part to ensure we finish strong. There is a saying, “Tough times don’t last, tough people, do!”

We are at that time of year when we start learning about those who are retiring from education. They are always great losses to the system. Their expertise and experience can not easily be matched or replaced. We will soon be setting a date in May to celebrate these quality educators and thank them for their service. There will also be those who leave our system to pursue other avenues as well. We wish them all the best in their future endeavors. We then turn our attention to those joining us to support our mission of educating the future. It takes a special calling to do the work that needs to be done. I am extremely proud of our entire staff and the way they have responded to the unprecedented obstacles placed in our paths this year.

April and May will be extremely busy with activities and celebrations. Please watch for our communications on these many activities. We have just set the dates for summer school. We will run classes from Tuesday, June 1 through Friday, June 25th. More information will be coming out from your building principals in the very near future.

# MIDDLE SCHOOL - STUDENT ACHIEVEMENTS

Seven times during the school year, ONE distinction level student from each grade level is selected by AMS staff to receive our AMS "Pick of the Litter" Award! These 3 students are the ones who teachers think best represent what it means to be an Alliance Bulldog; in and out of the classroom.

Congratulations to our March AMS "Pick of the Litter" Winners

## SPRING SAFETY

Hello everyone!

Aren't we glad it's finally starting to get warmer out? And spring is here! With warmer weather now we can expect to start seeing more and more kiddos out and about, walking to and from school, and hanging out in the parks.

I would like to give everyone a few reminders about crosswalk safety and ask that you be vigilant when driving. We all need to pay attention and watch for pedestrians! When a pedestrian is in the crosswalk, **THEY** have the right of way, vehicles do not. Cross walks can be painted and pretty obvious with flashing signs that alert drivers to their existence. Cross walks can also be unmarked and not visible with paint. However, every intersection has a cross walk even if it is not painted. Drivers must yield to pedestrians in cross walks, it is state law, but it's also the courteous thing to do!

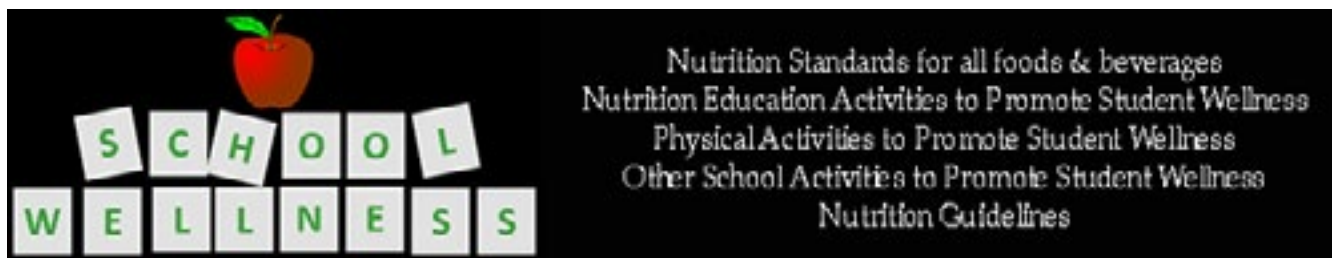

Let's take care of each other by doing our part and staying alert while driving! Stopping if you see someone waiting to cross the road, not just juveniles.

Let's spread some kindness around this spring!

Your School Resource Officer,  
Officer Aly Dusatko #115

## Wellness Policy 5417

Nutrition, Page 3:

The foods and beverages sold and served outside of the school meal programs (e.g., “competitive” foods and beverages) will meet the USDA Smart Snacks in School nutrition standards, at a minimum.

Smart Snacks, Page 5:

To qualify as a Smart Snack, a snack or entrée must first meet the general nutrition standards:

Be a grain product that contains 50 percent or more whole grains by weight (have a whole grain as the first ingredient); or

Have as the first ingredient a fruit, a vegetable, a dairy product, or a protein food; or be a combination food that contains at least 1/4 cup of fruit and/or vegetable; and

The food must meet the nutrient standards for calories, sodium, sugar, and fats:

### SMART SNACKS

NUTRIENT	SNACK	ENTREE
CALORIES	200 Calories	350 calories or less
SODIUM	200mg or less	480 mg or less
TOTAL FAT	35% of calories or less	35% of calories or less
SATURATED FAT	less than 10% of calories	Less than 10% of calories
TRANS FAT	0 g	0 g
SUGAR	35% by weight or less	35% by weight or less

## Administrative Regulations for Wellness Policy

Nutrition Guidelines, Page 1:

2. Administrators will ensure that there will be no foods sold or offered to students in the half hour before and after the school meals program or during the meal times.

5. Parents are allowed to provide their child with a packed lunch from home on any school day. It can not be shared or provided for other students.

Nutrition Guidelines, Page 2:

10. Parents will provide an ingredients list and/or nutrition label for any foods provided in the classroom.

11. Parents will bring any provided foods to the school office by 9 am of the day it is to be served.

## **2020-21 NSAA Spring Season Guidelines**

*Effective: March 1, 2021*

Circumstances related to the COVID-19 pandemic are constantly changing and vary from community to community. Decisions will have to be made from week to week or even day to day. The health and safety of students, staff, and local communities remain the priority of the NSAA as we provide opportunities to participate in the spring sports season.

Each school has the authority to determine if it will participate in the 2020-21 Spring Season. During the season it will be the responsibility of the host school to provide administrative oversight and compliance with established COVID-19 guidelines in accordance with their local health departments and facilities.

### **FOR ALL SPRING ACTIVITIES:**

The NSAA is requiring the following of schools, officials and spectators for all spring season contests:

- Active participants are permitted, but not required, to wear face coverings during competition/performance.
- Spectators are required to wear face coverings for entrance to all activities. Face coverings may be removed if outside and 6 feet of physical distance can be maintained.
- Face coverings must cover the nose and mouth.
- Follow local/state DHM's for spectator attendance.
- The host school may establish additional requirements in consultation with local health departments. Additional requirements implemented by the host school must be the same for all schools, officials, judges, and spectators.

Recommended protocols for spring contest hosts:

- Coaches and non-active participants are encouraged to wear face coverings at all times
- Create separate points of entry and seating for home and visitor teams/spectators
- Provide no concession stands or separate/multiple concession stands
- Provide separate/multiple restrooms
- Use signage, stanchions, or field markings to ensure physical distancing of 6 feet at concession stands and restrooms
- Communicate availability of locker room space for the opposing team and officials
- Implement diligent and effective cleaning and disinfecting of frequently touched objects and surfaces

**NSAA expects schools to play their regularly scheduled competitions unless a COVID-19 issue prevents them from playing. Member schools, in consultation with their local health department, shall be responsible for determining whether a scheduled game, match, contest, or other activity is cancelled or postponed due to a COVID-19 related issue. Member schools shall notify the NSAA of any cancellation or postponement.**

The NSAA has great appreciation for all its member schools and their tireless efforts to provide opportunities for learning and participation in NSAA activities. Communication, flexibility, and patience will be key in supporting our high school student participants as they participate in activities this spring season.
