

Internal Board Policies - Methods of OperationDesignated Method of Giving Notice of Meetings

The Board of Education will give advance notice of meetings by publishing such notice in a newspaper of general circulation within the District's jurisdiction and, if available, on such newspaper's web site. In addition to publishing, the Board may, in its sole discretion, also give advance notice of meetings by posting as an additional means of giving notice to the public. If notice is given by posting, such notice shall be given by posting notice in at least three (3) public places throughout the school district. The school house door, the post office, and a local bank are designated posting places, though other or different places at which the public may reasonably be notified are also designated as permissible places.

Notice shall be given a reasonable time in advance of the meeting. Two (2) days advance notice shall be considered sufficient.

For an emergency meeting, notice shall not be required to be given; however, the Board will complete minutes for such an emergency meeting as required by law. An emergency has been defined as any event or occasional combination of circumstances which calls for immediate action or remedy; pressing necessity; exigency; a sudden or unexpected happening; an unforeseen occurrence or condition.

The Secretary of the Board of Education, or the Secretary's designee, shall maintain a list of the news media requesting notification of meetings and shall make reasonable efforts to provide advance notification to such news media of the time and place of each meeting and the subjects to be discussed at the meeting.
