Alliance Public Schools

Continuous Improvement 2016-2017

District Purpose

Success for All Students

District Mission Statement

To develop in all students the individual skills, the desire for knowledge, and the personal commitment essential for a successful future.

District Academic Goals

All students at Alliance Public Schools will show positive academic growth.

Early Childhood Objectives:

1. All students who enter the program below age expectations, will show a rate of growth by 50% by the end of the year.
2. All students who enter the program at age expectations, will show a rate of growth by 50% by the end of the year.

Emerson Objectives:

1. A 1% increase of students scoring at or above the DIBELS performance level in Reading.
2. A 1% increase of students scoring at or above the DIBELS performance level in Math.

Grandview Objectives:

1. A 1% increase of students scoring at or above the DIBELS performance level in Reading and Math.
2. A 5% increase of 3rd, 4th, and 5th grade students scoring at or above NWEA and State Assessment goals for Reading and Math.

Middle School Objectives:

1. A 5% increase of all students scoring at or above the 50th percentile in Reading and Math on the NWEA and Assessments.
2. A decrease of students who have incompletes at any given time.
3. An increase of parent and community involvement in the school.

High School Objectives:

1. A 5% increase of all students will perform at, or above, the state average in Math on the NWEA, and State Assessments.
2. A 5% increase of all students will perform at, or above, the state average in Reading on the NWEA, and State Assessments.
3. A 5% increase of average daily attendance.

ILCD and TIP: Improving Learning for Children with Disabilities and Targeted Improvement Plan

1. Improve outcomes in Math for students with disabilities in 7th and 8th grades as measured by the State Assessments.
2. 7th and 8th grades in Special Education will show a 1% increase each year in the Proficient Quartile in Math on the State Assessments
